Starter Pack

Welcome to this starter pack. These resources are some basic posters to start your journey into becoming more accessible and inclusive. This package includes the theological statement on disability, tips on ways to make your community more accessible and inclusive to everyone, and information on a programme on inclusion.

On the website, there are other posters and resources:

- Liturgical material, for example: Lent, Christmas
- Specific occasions, for example: Disability Awareness Sunday, Te wiki o te reo Māori, International Day of People with Disability.
- In-depth material on disability, for example: neurodiversity, and the connection between Disability and Social Justice.
- Anglican Disability Summit resources

Contacts the Disability Ministry Educators:

Vicki, as the resource and development educator, is keen to hear from you any queries about existing, and suggestions for new, resources. You may have other resources and ideas that you are willing to share with others. Please contact resources@anglicandisability.org

Cherryl, as the engagement educator, is keen to hear from you if you would like her to visit your church. Cherryl facilitates the Anglican Disability Inclusion Programme. Please contact engagement@anglicandisability.org
